

PRESS RELEASE

18-03-2011

SIIM has signed an asset purchase agreement with IPAN NARGO reading the acquisition of the business concerned the manufacture of plastic parts and duroplast parts. In a short time SIIM will be able to supply all the above mentioned products.

Machinery has been transfer to SIIM's sister company Novotei Plastic, and production capacity has been increased in 38000 hours-machine per year.

For more information, please contact SIIM marketing department: mkg1@siim.com
